DESCRIPTION

This is Benidorm's new reference building at a 2-min walking distance from the beach. 2-4 bed apartments and penthouses are available up to the 35th floor with breath-taking views over the city and the sea. Indoor and outdoor pool, gym, spa, sport fields, chill-out and children zone, everything you wish for in your Mediterranean skyscraping home. Theme parks, shopping malls, bars and restaurants, golf... all at hand's reach. This new skyline-shaper watchtower of the Mediterranean will take 1 and a half years to complete, still for early-comers.
